STUDENT SCHOLARSHIPS 2025 - 26

We are delighted to announce 12 scholarships for design students across the country for the 2025-26 academic year

This is a HSE initiative run by the Spark Innovation Programme to consolidate ongoing collaboration between the Design and Healthcare communities

ABOUT THE SCHOLARSHIP

Twelve scholarships will be offered as a bursary of €1,000 per student/student group (two per institution plus an additional two high potential candidates).

The successful candidates will be chosen through a competitive process during the academic year.

- * Design student for the academic year of 2025/26 (includes Bachelors, Masters or PhD students)
- * Must produce a healthcare related solution/product
- * Must present their project at a national showcase event on May 28th 2025
