

Tuesday 3 December is International Day of People with Disabilities

The day is about promoting the **rights and well-being of people with disabilities**. People with disabilities have the right to participate fully, equally and effectively in society and in the workplace.

Le Chéile is our national staff network for employees with disabilities, neurodiverse conditions and long-term health conditions, and their allies. This network provides staff with **support, visibility** and a **voice** at work.

Contact diversity.hr@hse.ie to join the Le Chéile Network or for support.
