Endoscopy reference set Ireland		
Term	**Preferred Term**	**Concept Id**
Structure of superior bulb of internal jugular vein (body structure)	Structure of superior bulb of internal jugular vein	56912000
Endoscopic change of biliary stent (procedure)	Endoscopic change of biliary stent	174625005
Structure of greater curvature of antrum of stomach (body structure)	Greater curvature of antrum of stomach	127878000
Colonoscopy (procedure)	Colonoscopy	73761001
Structure of anterior segment of upper division of left upper lobe of lung (body structure)	Structure of anterior segment of upper division of left upper lobe of lung	22270008
Injection of lesion of esophagus (procedure)	Injection of lesion of oesophagus	1290199001
Product containing only cimetidine (medicinal	Cimetidine	775248009
Structure of anterior basal segment of left lower lobe of lung (body structure)	Structure of anterior basal segment of left lower lobe of lung	63215004
Radiofrequency ablation using fluoroscopic guidance (procedure)	Fluoroscopy guided ablation using radiofrequency	709588001
Product containing only amoxicillin and clavulanic acid (medicinal product)	Co-amoxiclav	774587000
Removal of stent (procedure)	Removal of stent	103718005
Tracheal structure (body structure)	Tracheal structure	44567001
Product containing only piperacillin and tazobactam (medicinal product)	Piperacillin + tazobactam	777212006
Injection of lesion of duodenum (procedure)	Injection of lesion of duodenum	1290196008
Preparation H (brand) (product name)	Preparation H (brand)	599071000220105
Insertion of nasojejunal tube (procedure)	Insertion of nasojejunal tube	235423009
Structure of inferior lingular segment of left lung (body structure)	Inferior lingular segment	264033005
Injection therapy of duodenal lesion (procedure)	Injection therapy of duodenal lesion	235268003
Product containing only alfentanil (medicinal	Alfentanil	774464006
Insertion of gastric balloon (procedure)	Insertion of gastric balloon	20794002
Esophageal manometry (procedure)	Oesophageal manometry	20816008
Laser surgery (procedure)	Laser surgery	35631009
Structure of right lateral portion of upper third of esophagus (body structure)	Structure of right lateral portion of upper third of oesophagus	370084000
Product containing only celecoxib (medicinal	Celecoxib	775123001
Product containing only lidocaine (medicinal	Lidocaine	776528009
Product containing only rivaroxaban (medicinal	Rivaroxaban	777455008
Product containing only methylprednisolone (medicinal product)	Methylprednisolone	776754003
Bougienage (procedure)	Bougienage	9421007
Product containing only atropine and diphenoxylate (medicinal product)	Atropine and diphenoxylate only product	774698007
General practitioner practice code (observable	GP practice code	659741000220100
Product containing only edoxaban (medicinal	Edoxaban	775732007
Skin structure of anus (body structure)	Skin structure of anus	59112000
Product containing only prednisolone (medicinal product)	Prednisolone	777309005
Heater probe treatment of esophageal lesion (procedure)	Heater probe treatment of oesophageal lesion	235202000
Endoscopic retrograde cholangiopancreatography using fluoroscopic guidance with contrast	Endoscopic retrograde cholangiopancreatography	712470002
Structure of left peribronchial lymph node (body structure)	Left peribronchial lymph node	127924004

Insertion of flatus tube into rectum (procedure)	Insertion of flatus tube into rectum	787802002
Gallbladder structure (body structure)	Gallbladder structure	28231008
Sigmoid colon structure (body structure)	Sigmoid colon structure	60184004
Structure of ventricular fold of larynx (body structure)	Structure of ventricular fold of larynx	74761005
Product containing only folic acid (medicinal	Folic acid	776022004
Hepatectomy, total left lobectomy (procedure)	Hepatectomy, total left lobectomy	63816008
Structure of posterior basal segment of right lower lobe of lung (body structure)	Structure of posterior basal segment of right lower lobe of lung	16057008
Endoscopic cauterization of polyp of colon	Hot biopsy	10361000132103
Product containing only clarithromycin (medicinal product)	Clarithromycin	775277005
Product containing only aspirin (medicinal product)	Aspirin	774656009
Product containing only diclofenac (medicinal	Diclofenac	775563008
Balloon dilation of esophageal stricture (procedure)	Balloon dilation of oesophageal stricture	386786006
Product containing only ticagrelor (medicinal	Ticagrelor	777766002
Structure of lesser curvature of antrum of stomach (body structure)	Lesser curvature of antrum of stomach	127877005
Product containing only amoxicillin (medicinal	Amoxicillin	774586009
Product containing only remifentanil (medicinal	Remifentanil	777417003
Entire vallecula of epiglottis (body structure)	Entire vallecula of epiglottis	276955003
Product containing only metformin (medicinal	Metformin	776713006
Insertion of nasogastric tube (procedure)	Insertion of nasogastric tube	87750000
Product containing only macrogol 4000 (medicinal product)	Macrogol 4000	776599009
Structure of anterior basal segment of right lower lobe of lung (body structure)	Structure of anterior basal segment of right lower lobe of lung	11098002
Proctoscopy (procedure)	Proctoscopy	42238002
Product containing only naloxone (medicinal	Naloxone	776863009
Product containing only heparin (medicinal product)	Heparin	776178000
Heater probe treatment (procedure)	Heater probe treatment	257858005
Puncture and aspiration of cyst (procedure)	Puncture and aspiration of cyst	443803004
Structure of corniculate cartilage (body structure)	Structure of corniculate cartilage	74241000
Right lateral wall (qualifier value)	Right lateral wall	264178006
Product containing only ibuprofen (medicinal	Ibuprofen	776287003
Product containing only hydromorphone (medicinal product)	Hydromorphone	776264006
Structure of bronchus of right lower lobe (body	Structure of bronchus of right lower lobe	64353002
Product containing only clopidogrel (medicinal	Clopidogrel	775314005
Structure of uncinate process (body structure)	Uncinate process	306373001
Product containing only cyanocobalamin (medicinal product)	Cyanocobalamin only product	775408004
Structure of superior lingular segment of left lung (body structure)	Superior lingular segment	264219002
Product containing only apixaban (medicinal	Apixaban	774624002
Product containing only cangrelor (medicinal	Cangrelor only product	775030009
Anusol (brand) (product name)	Anusol (brand)	185201000220103
Rubber band ligation of hemorrhoid(s) (procedure)	Rubber band ligation of haemorrhoid(s)	174359003
Upper body structure (body structure)	Upper body structure	128262006
Heater probe treatment of duodenal lesion	Heater probe treatment of duodenal lesion	235270007
Lower body structure (body structure)	Lower body structure	128263001

Product containing only ispaghula husk (medicinal product)	Ispaghula husk	776429004
Cannulation (procedure)	Cannulation	42825003
Product containing only budesonide (medicinal	Budesonide	774924004
Incision of pancreatic sphincter (procedure)	Incision of pancreatic sphincter	448013009
Structure of right lateral portion of middle third of esophagus (body structure)	Structure of right lateral portion of middle third of oesophagus	370089005
Product containing only ozanimod (medicinal	Ozanimod	871801009
Product containing only cyclizine (medicinal product)	Cyclizine	775411003
Insertion of stent (procedure)	Insertion of stent	1296925008
Entire upper thoracic esophagus (body structure)	Entire upper thoracic oesophagus	890519008
Address (observable entity)	Address	397635003
Structure of right paraesophageal lymph node below carina (body structure)	Structure of right paraoesophageal lymph node below carina	1285488009
Dilation of pyloric stricture (procedure)	Dilation of pyloric stricture	235227007
Structure of upper third of trachea (body structure)	Structure of upper third of trachea	91741008
Structure of medial wall third part of duodenum (body structure)	Medial wall third part of duodenum	660041000220104
Pyloric antrum structure (body structure)	Pyloric antrum structure	66051006
Product containing only dexketoprofen (medicinal product)	Dexketoprofen	775513003
Balloon dilation of stricture - large intestine	Balloon dilation of stricture - large	235338009
Rectum structure (body structure)	Rectum structure	34402009
Ethnic group finding (finding)	Ethnicity	397731000
Structure of carina of trachea (body structure)	Structure of carina of trachea	28700002
Bifurcation (procedure)	Bifurcation	68689009
Product containing only levofloxacin (medicinal	Levofloxacin	776517005
Product containing only sucralfate (medicinal	Sucralfate	777623001
Product containing only amitriptyline (medicinal	Amitriptyline	774553005
Endoscopic biopsy (procedure)	Endoscopic biopsy	53767003
Endoscopic snare resection (procedure)	Snare excision	786884007
Dilation of colonic stricture (procedure)	Dilation of colonic stricture	307241002
Product containing only dipyridamole (medicinal	Dipyridamole	775646000
Structure of neck of pancreas (body structure)	Neck of pancreas	245381005
Structure of left hepatic duct (body structure)	Structure of left hepatic duct	64281006
Product containing only macrogol 3350 (medicinal product)	Macrogol 3350 only product	776598001
Bougienage of esophagus (procedure)	Bougie of oesophagus	367447007
Product containing only mebendazole (medicinal product)	Mebendazole	776640001
Right vocal cord structure (body structure)	Right vocal cord structure	49533009
Structure of right lower paratracheal lymph node (body structure)	Right lower paratracheal lymph node	127935009
Removal of nasojejunal tube (procedure)	Removal of nasojejunal tube	235438005
Product containing only paroxetine (medicinal	Paroxetine	777085007
Structure of distal portion of ileum (body structure)	Structure of distal portion of ileum	85774003
Structure of pyloric portion of stomach (body	Structure of pyloric portion of stomach	15048009
Cystic duct structure (body structure)	Cystic duct structure	77452001
Structure of apical segment of left upper lobe (body structure)	Apical segment of left upper lobe	245522000
Product containing only indometacin (medicinal	Indometacin	776329000

Removal of foreign body (procedure)	Removal of foreign body	10849003
Endoscopy of stomach (procedure)	Endoscopy of stomach	386831001
Structure of third and fourth parts of the duodenum (body structure)	Fourth and third parts of the duodenum	422195001
Product containing only upadacitinib (medicinal	Upadacitinib	789417002
Product containing only infliximab (medicinal	Infliximab	776332002
Transbronchial needle aspiration of mediastinal lymph node using endoscopic endobronchial ultrasonography guidance (procedure)	Endoscopic endobronchial ultrasonography guided transbronchial needle aspiration of mediastinal lymph	1137699004
Endoscopic nasobiliary drainage (procedure)	Endoscopic nasobiliary drainage	448014003
Product containing only fentanyl (medicinal product)	Fentanyl	775934002
General practitioner code (observable entity)	GP code	659731000220109
Structure of right lateral portion of lower third of esophagus (body structure)	Structure of right lateral portion of lower third of oesophagus	370094005
Percutaneous balloon dilation of esophagus	Percutaneous balloon dilation of	277662000
Placement of stent (procedure)	Placement of stent	103716009
Entire right hepatic duct of caudate lobe (body	Entire right hepatic duct of caudate lobe	66008007
Product containing only tramadol (medicinal	Tramadol	777816004
Structure of main pancreatic duct (body structure)	Structure of main pancreatic duct	1230031000
Structure of inferior bulb of internal jugular vein (body structure)	Structure of inferior bulb of internal jugular vein	32530005
Structure of apical segment of right upper lobe of lung (body structure)	Structure of apical segment of right upper lobe of lung	74896003
Structure of apical segment of right lower lobe of lung (body structure)	Structure of apical segment of right lower lobe of lung	3788008
Product containing only paracetamol (medicinal	Paracetamol	777067000
Structure of lingular bronchus (body structure)	Structure of lingular bronchus	64720009
Structure of accessory pancreatic duct (body	Structure of accessory pancreatic duct	113288006
Product containing only ranitidine (medicinal	Ranitidine only product	777398006
Product containing only tranexamic acid (medicinal product)	Tranexamic acid	777821001
Balloon dilation of duodenal stricture (procedure)	Balloon dilation of duodenal stricture	235264001
Endoscopy of upper gastrointestinal tract and tattooing (procedure)	Endoscopy of upper gastrointestinal tract and tattooing	446418004
Greater duodenal papilla structure (body structure)	Greater duodenal papilla structure	33657005
Epiglottis structure (body structure)	Epiglottis structure	61563008
Product containing only hydroxocobalamin (medicinal product)	Hydroxocobalamin	776268009
Patient surname (observable entity)	Patient surname	184096005
Entire middle glossoepiglottic fold (body structure)	Entire middle glossoepiglottic fold	279569009
Tattooing (procedure)	Tattooing	14792009
Product containing precisely scopolamine butylbromide 10 milligram/1 each conventional release oral tablet (clinical drug)	Hyoscine butylbromide 10 mg oral tablet	317117001
Entire pylorus (body structure)	Entire pylorus	362143006
Product containing only colesevelam (medicinal	Colesevelam	775368000
Individual health identifier (observable entity)	IHI	861000220106
Structure of left lateral portion of lower third of esophagus (body structure)	Structure of left lateral portion of lower third of oesophagus	370093004
Structure of medial segment of middle lobe of right lung (body structure)	Structure of medial segment of middle lobe of right lung	34604003

Product containing only alverine (medicinal product)	Alverine	774522008
Product containing only azathioprine (medicinal	Azathioprine	774718000
Patient sex (observable entity)	Patient sex	184100006
Injection therapy of lesion - small intestine	Injection therapy of lesion - small intestine	235301009
Product containing only warfarin (medicinal product)	Warfarin	777947006
Medical record number (observable entity)	MRN- Medical Record Number	398225001
Product containing only etoricoxib (medicinal	Etoricoxib	775901004
Gender (observable entity)	Gender	263495000
Endoscopic balloon dilation of duodenal papilla (procedure)	Endoscopic balloon dilation of duodenal papilla	838446004
Structure of bronchus of left upper lobe (body	Structure of bronchus of left upper lobe	23792002
Entire lower thoracic esophagus (body structure)	Entire lower thoracic oesophagus	890521003
Product containing only mefenamic acid (medicinal product)	Mefenamic acid	776654009
Heater probe treatment of gastric lesion (procedure)	Heater probe treatment of gastric lesion	235237002
Yttrium-aluminum-garnet laser (physical object)	YAG - laser	310196006
Structure of cuneiform cartilage (body structure)	Structure of cuneiform cartilage	35779009
Product containing only vedolizumab (medicinal	Vedolizumab	777922009
Structure of descending portion of duodenum (body structure)	Second part of duodenum	72031006
Injection therapy of gastric lesion (procedure)	Injection therapy of gastric lesion	235235005
Medial part (qualifier value)	Medial part	261128008
Enteroscopy (procedure)	Enteroscopy	235147008
Injection of botulinum toxin (procedure)	Botox injection	404909007
Structure of right upper paratracheal (supra innominate) mediastinal lymph node (body structure)	Right upper paratracheal (supra innominate) mediastinal lymph node	127928001
Resection of polyp (procedure)	Polypectomy	82035006
Product containing only lactulose (medicinal	Lactulose	776464008
Duodenal ampulla structure (body structure)	Duodenal ampulla structure	9999005
Product containing only nefopam (medicinal	Nefopam only product	776882000
Gastric fundus part (body structure)	Gastric fundus part	372183004
Product containing only prucalopride (medicinal	Prucalopride	780320003
Structure of truncus intermedius of right main bronchus (body structure)	Truncus intermedius of right main bronchus	245512006
Product containing only nabumetone (medicinal	Nabumetone	776850003
Product containing only diclofenac and misoprostol (medicinal product)	Diclofenac + misoprostol	775564002
Computed tomography cholangiography with contrast (procedure)	CT cholangiography with contrast	419995000
Structure of lateral segment of middle lobe of right lung (body structure)	Structure of lateral segment of middle lobe of right lung	42000008
Gaviscon (real medicinal product)	Gaviscon	462791000220105
Structure of lateral wall third part of duodenum (body structure)	Lateral wall third part of duodenum	660141000220100
Dilation of duodenal stricture (procedure)	Dilation of duodenal stricture	235263007
Cholangiography (procedure)	Cholangiography	28367004
Product containing only dabigatran (medicinal	Dabigatran	775431004
Entire middle thoracic esophagus (body structure)	Entire middle thoracic oesophagus	890520002
Structure of lesser curvature of stomach (body	Structure of lesser curvature of stomach	80085006
Entire tail of pancreas (body structure)	Entire tail of pancreas	245382003
Product containing only pantoprazole (medicinal	Pantoprazole	777059008

Dilatation of esophagus (disorder)	Dilatation of oesophagus	78974003
Structure of tail of pancreas (body structure)	Structure of tail of pancreas	73239005
Cholangioscopy (procedure)	Cholangioscopy	413195008
Injection of lesion of large intestine (procedure)	Injection of lesion of large intestine	1290197004
Product containing only ustekinumab (medicinal product)	Ustekinumab	777905007
Structure of right colic flexure (body structure)	Hepatic flexure of colon	48338005
Cecum structure (body structure)	Caecum structure	32713005
Product containing only domperidone (medicinal product)	Domperidone	775683000
Sclerotherapy of gastric varices (procedure)	Sclerotherapy of gastric varices	235236006
Entire pyloric portion of stomach (body structure)	Entire pyloric portion of stomach	362141008
Structure of head of pancreas (body structure)	Structure of head of pancreas	64163001
Structure of lateral basal segment of right lower lobe of lung (body structure)	Structure of lateral basal segment of right lower lobe of lung	74932000
Cauterization of lesion of esophagus (procedure)	Cauterisation of lesion of oesophagus	20579004
Ileocecal valve structure (body structure)	Ileocaecal valve structure	23153004
Left vocal cord structure (body structure)	Left vocal cord structure	53824000
Product containing only phenindione (medicinal	Phenindione only product	777163004
Product containing only naproxen (medicinal	Naproxen	776871008
Structure of highest mediastinal lymph node (body structure)	Highest mediastinal lymph node	127926002
Product containing only prasugrel (medicinal	Prasugrel	777298009
Entire common hepatic duct (body structure)	Entire common hepatic duct	245403006
Aryepiglottic fold structure (body structure)	Aryepiglottic fold structure	43545006
Endoscopic ultrasonography (procedure)	Endoscopic ultrasonography	450556004
Structure of left lateral portion of upper third of esophagus (body structure)	Structure of left lateral portion of upper third of oesophagus	370083006
Product containing only pancreatic amylase and pancreatic lipase and pancreatic protease (medicinal product)	Pancreatic lipase + pancreatic amylase + pancreatic protease	1269118008
Left lateral wall (qualifier value)	Left lateral wall	264067000
Structure of bronchus of left lower lobe (body	Structure of bronchus of left lower lobe	82407001
Dilation of rectal stricture (procedure)	Dilation of rectal stricture	307244005
Product containing only tofacitinib (medicinal	Tofacitinib	777795006
Part of pyloric region (body structure)	Part of pyloric region	245416006
Structure of lower third of trachea (body structure)	Structure of lower third of trachea	91743006
Structure of rectosigmoid junction (body structure)	Structure of rectosigmoid junction	49832006
Structure of angle of mandible (body structure)	Structure of angle of mandible	11843008
Dilation of bile duct (procedure)	Dilation of bile duct	235570008
Product containing only ciprofloxacin (medicinal	Ciprofloxacin	775261009
Product containing only morphine (medicinal	Morphine	773372004
Dilation of esophageal stricture (procedure)	Dilation of oesophageal stricture	235197007
Structure of anterior segment of right upper lobe of lung (body structure)	Structure of anterior segment of right upper lobe of lung	39743006
Structure of right tracheobronchial lymph node (body structure)	Right tracheobronchial lymph node	127923005
Left colon structure (body structure)	Left colon structure	55572008
Cardia structure (body structure)	Cardia structure	62898002
Product containing only propofol (medicinal product)	Propofol	777341004
Structure of lateral basal segment of left lower lobe of lung (body structure)	Structure of lateral basal segment of left lower lobe of lung	15512001

Product containing only acenocoumarol (medicinal product)	Acenocoumarol only product	774409003
Product containing only esomeprazole (medicinal product)	Esomeprazole	775834001
Product containing only mercaptopurine (medicinal product)	Mercaptopurine	776689006
Fiberoptic endoscopic rubber band ligation of upper gastrointestinal tract varices (procedure)	Fibreoptic endoscopic rubber band ligation of upper gastrointestinal tract	426841006
Product containing only mesalazine (medicinal	Mesalazine	776697004
Percutaneous endoscopic insertion of gastrostomy tube (procedure)	PEG insertion	235159007
Product containing only sulfasalazine (medicinal product)	Sulfasalazine	777645000
Structure of bronchus of right upper lobe (body	Structure of bronchus of right upper lobe	11339004
Endoscopic retrograde cholangiopancreatography with pancreatic sphincterotomy using fluoroscopic guidance with contrast (procedure)	Endoscopic retrograde cholangiopancreatography with pancreatic sphincterotomy	413257009
Product containing only fluconazole (medicinal	Fluconazole	775980000
Product containing only diazepam (medicinal	Diazepam	775545008
Structure of left lower paratracheal lymph node (body structure)	Left lower paratracheal lymph node	127936005

Structure of left lower lobe superior segmental bronchus (body structure)	Structure of left lower lobe superior segmental bronchus	74806005
Nasojejunal feeding tube procedure using fluoroscopic guidance (procedure)	Fluoroscopy guided nasojejunal feeding tube procedure	703071008
Entire left lateral portion of lower third of esophagus (body structure)	Entire left lateral portion of lower third of oesophagus	726823005
Brush biopsy of bile and pancreatic ducts	Brush biopsy of bile and pancreatic ducts	235577006
Product containing only metronidazole (medicinal product)	Metronidazole	776774005
Product containing only colestyramine (medicinal product)	Colestyramine	775370009
Product containing only mebeverine (medicinal	Mebeverine	776641002
Therapeutic diathermy (regime/therapy)	Therapeutic diathermy	1287433006
Structure of left paraesophageal lymph node below carina (body structure)	Structure of left paraoesophageal lymph node below carina	1285489001
Dilation of esophagus (procedure)	Dilation of oesophagus	195565004
Structure of appendiceal subserosa (body structure)	Appendiceal subserosa	43693005
Structure of posterior basal segment of left lower lobe of lung (body structure)	Structure of posterior basal segment of left lower lobe of lung	46148009
Product containing only bisacodyl (medicinal	Bisacodyl	774869006
Product containing only flumazenil (medicinal	Flumazenil	775985005
Sigmoidoscopy (procedure)	Sigmoidoscopy	24420007
Product containing only ondansetron (medicinal	Ondansetron	776993002
Product containing only midazolam (medicinal	Midazolam	776785007
Product containing only pethidine (medicinal	Pethidine	777149005
Left main bronchus structure (body structure)	Left main bronchus structure	75245000
Endoscopy of upper gastrointestinal tract and banding of varix of esophagus (procedure)	Endoscopy of upper gastrointestinal tract and banding of oesophageal varices	446739005
Right main bronchus structure (body structure)	Right main bronchus structure	70074004
Cystoscopy (procedure)	Cystoscopy	142505009
Entire gastric fundus (body structure)	Entire gastric fundus	362139007
Product containing only methotrexate (medicinal	Methotrexate	776732000
Imaging of pancreas with contrast (procedure)	Pancreatogram	303761006

Product containing only aspirin and caffeine (medicinal product)	Aspirin and caffeine only product	774659002
Lateral part (qualifier value)	Lateral part	261119007
Bronchoscopy (procedure)	Bronchoscopy	10847001
Product containing only aprepitant (medicinal	Aprepitant	774629007
Product containing only loperamide (medicinal	Loperamide	776566007
Resection of diverticulum (procedure)	Resection of diverticulum	62258005
Product containing low molecular weight heparin (product)	Low molecular weight heparin-containing product	87233003
