# Quality Improvement in Practice Lead NCHD Programme

## What is the session about?

- get an overview of Lead NCHD programme and why it matters to frontline healthcare professionals
- insights from current National Lead NCHD Fellows
- overview of current Lead NCHD QI Projects

### Dr. Seán Casey

#### National Lead NCHD 2023-2024

Seán is one of the current National Lead NCHD Fellows for 23-24. As part of this role, he oversees the Lead NCHD programme and represents NCHDs at the highest level of our

healthcare system. He received his CSCST in Paediatrics in July 2023 and is now completing further training in Paediatric Emergency Medicine. Seán has extensive experience of healthcare improvement initiatives, having chaired the RCPI Health & Wellbeing Committee (2019-2023) and National Committee for Wellbeing of Doctors in Ireland (2021- present). This skillset was further honed during his year as RCPI PwC Healthcare Consulting Fellow 2022-2023.

### Dr. Daniel Creegan

#### National Lead NCHD 2023-2024

Daniel Creegan studied Medicine in RCSI, graduating in 2017 and also has a Master's Degree in Healthcare Ethics and Law. He is currently a Cardiology Specialist Registrar,

working in Connolly Hospital, Blanchardstown and has always had a strong interest in Healthcare Management, having held a number of Leadership positions including the role of Lead NCHD in Letterkenny University Hospital.

Daniel also has a keen interest in Medical Education and is an Honorary Clinical Lecturer in RCSI. He has been actively involved in a number of key educational projects including a curriculum design project in RCSI. In addition, is an active member of the Irish Medical Council Education and Training Committee and the Preliminary Proceedings Committee.

If you would like to learn more about Sean and Daniel's work as National Lead NCHD Fellows, they can be contacted at:

## Co-hosts

**Juanita Guidera**, Programme Manager - Staff Engagement for Quality with the National Quality and Patient Safety Directorate.

## National Quality and Patient Safety Directorate

The National QPS Directorate provides a regular lunch time, one hour webinar series, focusing on quality safety and improvement. Running approximately every two weeks (in term time), it is open to all those interested in improving quality. Join individually or together as a group to assist in building your own local QPS networks.
