Help and information

Who can apply for a GP Visit Card for children under 8 years?

The parents or guardians of children under 8 years (who live or intend to live in the Republic of Ireland for at least one year) can register their child/children under 8 years for a GP Visit Card.

What details are needed to complete this form?

Complete **all parts** of this form.

1. Parent's or guardian's details (one parent or guardian only)
2. Your child's (or children's) details
3. GP of choice
5. Declaration and consent

Send this completed form to:

National Medical Card Unit, Under 8s GP Visit Cards, PO Box 12629, Dublin 11. Did you know that instead of posting your application and supporting documentation, you can email this to us at PCRS.Applications@hse.ie

What happens if my children attend separate GPs?

If your child (or children) attend separate GPs, you will need to complete a separate registration form for each child and then get each GP to sign the form for that child.

My child (or children) already have a Medical Card or GP Visit Card. Do I need to fill in this form?

If your child (or children) already have a Medical Card or GP Visit Card, you do not need to complete this form as your child (or children) already receives free GP services.

My child is almost 8. Should I still register them under this scheme?

Yes, please register all children under the age of 8 years. Your child will be included in this scheme until the end of the month of his or her eight birthday.

I have applied for a Medical Card or a GP Visit Card. Should I also complete this form?

No. If you have already applied for a Medical Card or a GP Visit Card, we will assess your application for one of those cards. If your family qualifies for a Medical Card or a GP Visit Card, each family member will receive a Medical Card/GP Visit Card. If your application for a Medical Card or a GP Visit Card is unsuccessful, your child (or children) under the age of 8 years will automatically receive an Under 8s GP Visit Card.
