Ref: CF:057:00	RE: Sample Driving for Work Risk Assessment			
Issue date:	October 2017	Revised Date:	June 2020	
Author(s):	National Health & Safety Function			
Legislation:	Under Section 19 of the Safety, Health and Welfare at Work Act, 2005 and associated Regulations, it is the duty of the employer to identify the hazards and assess the associated risks in the workplace. All risk assessments must be in writing and the necessary control measures to eliminate or minimise the risks documented and implemented.			
Note:	<p>Please note exposure to COVID-19 may present a health risk to staff and others at our places of work. It is essential that the latest public health advice is followed and suitable control measures identified and implemented to mitigate the risk of COVID-19 infection.</p> <p>When conducting Driving for Work Risk Assessments consideration should be paid to the risk presented and the means of avoiding and mitigating any such risk so far as is reasonably practicable.</p> <p>Where 2 metre worker separation cannot be ensured a specific activity risk assessment must be conducted and alternative protective measures must be put in place e.g. comprehensive hygiene measures, minimising the frequency and time staff are within 2 metres of each other, minimising the number of staff involved in the task, physical barriers, provision of face masks.</p> <p>For staff travelling during the COVID-19 pandemic please note a separate risk assessment is required. To assist you in completing this risk assessment the following documents are available</p> <ul style="list-style-type: none"> • GD:015 – Guidance on Staff Travel during COVID-19 -Things to consider when you and your employees are to engage in travel • PS:038 – Risk Assessment Prompt Sheet, Staff Travel during COVID-19 Outbreak <p><i>It is responsibility of local management to implement any remedial actions identified.</i></p> <p><i>The following provides an explanation on how to complete a Driving for Work Risk Assessment Form.</i></p>
